

Harassment Prevention Training for Supervisors & Non-Supervisors

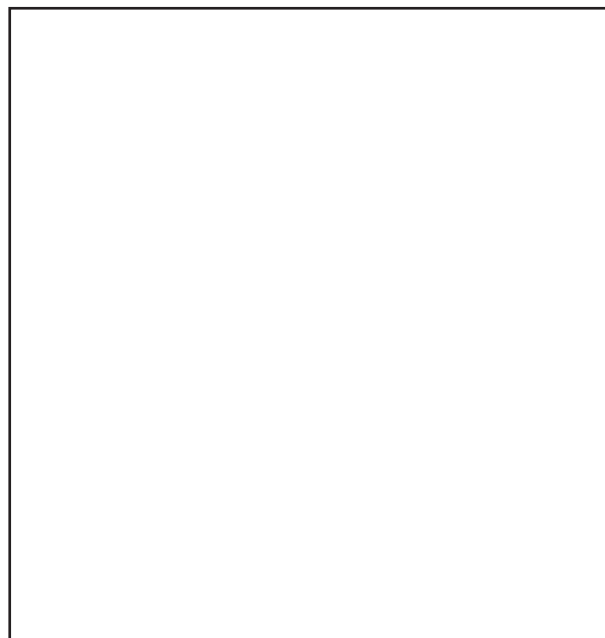

This is a **two hour interactive, mandatory training** for Supervisors and Non-Supervisors. Non-supervisors will attend the first hour, while supervisors are required to attend the full two hours. If you are not sure whether you need to attend, talk with your supervisor or manager.

Attendees will learn how to recognize problems and their responsibility at preventing all forms of harassment (verbal, visual, and physical). Other types of prohibited harassment, discrimination, retaliation, and abusive conduct will also be covered in an interactive format. Questions throughout are encouraged.

Learning Objectives:

- A fresh look at harassment, discrimination, retaliation and governing laws
- Examine scenarios & incidents and discuss possible appropriate responses
- Talk about your role in harassment prevention
- Discuss practical measures to create a safe and respectful workplace

Training Dates/Times:

All attendees will be required to wear face masks.
